

Greetings from your IRCNA Standing Committee;

As per policy, the Standing Committee is to inform Areas that they are eligible to host an IRCNA convention once every 5 years and this letter is to inform you that your area is eligible to host IRCNA XXIX in 2012.

As you may know, the policy states that bids will be presented to the IRCNA Standing Committee in February of 2011, all bids **must** include the following information to be considered:

***Date of proposed Convention***

***City of proposed Convention***

***Location of the proposed Convention***

***Approximate cost of the Convention***

***Any plans the committee has made for the Convention***

***Proposed Chairperson with service resume***

***Proposed Treasurer with service resume***

***Why the area placing the bid is the best site for the Convention***

The attached form needs to be included with your bid proposal to be submitted to the IRCNA Standing Committee in a closed session at the February 2011 Regional meeting. The IRCNA Standing Committee will then present all of the information obtained in that closed session to the Regional trusted servants, however members of your area do need to be present during the presentation to the Region in order to answer any questions the RCM's may have.

Please feel free to call any one on the Standing Committee for assistance in putting a bid package together or any other questions you may have about the convention bid process. We are looking forward to working with all of you in our common goal of making the IRCNA convention a wonderful experience for all.

Respectfully yours;  
IRCNA Standing Committee
